June Traffic Report

Robert J. Sweeney, Executive Secretary of the Mackinac Bridge Authority, reported today that 366,985 vehicles crossed the Mackinac Bridge during the month of June. This represents an 11.2 percent decrease when compared to the 413,485 crossings during June 2007.

Fare revenue for the month of June was up 8.2 percent and 6.8 percent for the year, compared to 2007. This increase is due to the recent toll restructuring that was implemented on March 1, 2008.

Mr. Sweeney reported that construction activity is in full swing at the Mackinac Bridge. He asks that travelers drive with extreme caution during the construction season, slow down, be aware of our construction workers, and "Give 'em a Brake".
